

## **Mounzer Sleiman, Ph.D.**

Dr. Sleiman is a founding member of the National Council of Arab Americans (NCA) and Vice-Chair of its National Board for political affairs. He is an independent political-military analyst with expertise in U.S. national security affairs, the subject of his doctorate dissertation. In addition, he is an independent media consultant with more than twenty five years of experience in Middle East diplomacy and media relations. He is a frequent commentator and guest analyst on radio and television broadcasts, including the BBC, Voice of America, MBC, Monte Carlo, and major Arab TV networks, such as Abu Dhabi TV, Al-Jazeera, Alarabia, LBC, Dubai TV, and Al Nile, Alalam, as well as networks in Yemen, Syria, Saudi Arabia, Algeria, and Lebanon. He has been quoted in several military and defense related publications.

Over the past two decades, he has been a regular participant in U.S. conferences dealing with the Arab world, including symposia of the U.S. Central Command and the annual U.S. Mideast Policymakers Conference sponsored by the National Council on U.S.-Arab relations in association with the Middle East Institute and the Middle East Policy Council.

He is a frequent guest lecturer invited by American universities to discuss topics related to the contributions of Arab and Islamic civilization to the modern world and on current affairs. He is a long time advocate of Arab-Americans effective organization and empowerment and active participant in the cultural, political and intellectual activities of the Arab-American community. In addition, he was the advisor and participant in the Preparatory Committee for the First International Conference on Khalil Gibran held in 1999. Former Secretary general of the Organization of Arab Students in U.S. and Canada, member of ADC since its founding, member of Arab Americans University Graduates ( AAUG), served as an advisor and main contributor of American Muslim Task Force ( AMTF) response to 9/11 Commission Report. He has published numerous articles and studies for various publications and as lecture presentations, covering political-military, cultural and strategic affairs. He is contributor on a regular basis to the opinion page of the English.aljazeera.net commenting on current affairs. Currently he is the Washington Bureau chief and National security Affairs analyst for Almustaqbal Alarabi Magazine published by the Center for Arab Unity Studies in Lebanon.
